

Early Years Foundation Stage

MATHEMATICS

Numbers

- Count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number
- Using quantities and objects, add and subtract two single digit numbers, counting on or back to find the answer
- Solve problems including doubling, halving and sharing

Shape, Space and Measures

- Use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects to solve problems
- Recognise, create and describe patterns
- Explore characteristics of everyday objects and shapes and use mathematical language to describe them
